## Liftmaster Gate Operator Systems

### Slide and Swing Gate Operators

Liftmaster gate operators are engineered with quality machine work and rugged construction to provide you the comfort of knowing the gate will open and close all day and night. Simply the best name in the industry with a reputation for quality, dependability, and award-winning designs to complement any gated entrance, our complete line of gate openers is designed to meet or exceed UL325 safety standards and requirements.

We have listed on this page the most popular residential and commercial gate operators. To view other models and options available visit the [Liftmaster](#) website.
