

Premium Chain Drive Opener

Featuring the Liftmaster 8365 Premium Chain Drive Opener

With its rugged reliability and exceptional all-around performance, the 8365 1/2 HP AC Chain Drive Garage Door Opener is the perfect choice if you want enhanced style, reliability, and the performance attributes of our best-selling drive system ever. It includes 2 remote controls and a keyless entry along with the standard inside wall control and safety sensors.

- Confidently know what's going on at home with MyQ[®] Technology. It lets you monitor and control your Garage Door Opener and home lighting from anywhere (when paired with the Internet Gateway).
- Receive email or text alerts so you always know the status of your garage door and home lighting.
- Download the MyQ[®] mobile app for free. No annual activation fee required.
- Compatible with HomeLink[®].
- Requires 828LM MyQ Internet Gateway to connect to MyQ Smartphone App.
- Rely on durable and powerful performance with our P3 Motors[™], which are specifically built for use in Garage Door Openers.

- Appreciate years of reliable, maintenance-free service from our industrial-strength Chain Drive System.
- Consume up to 75% less power in standby mode.
- Have peace of mind with our Lifetime motor and one-year parts warranties
